EFFECTIVE JULY 12, 2006

The Kentucky Legislature passed HB 462 which will become effective on July 12, 2006. HB 462 includes the following provisions:

1. Temporary Registration: KRS 294.255(3) allows the Executive Director for good cause to issue a temporary certificate of registration for 180 days for an individual awaiting completion of the criminal background check or who is in process of completing the education requirement. The temporary certificate expires automatically if the application process is not completed.
2. Renewals: Certificates of registration must be renewed by June 20 of each year. Registrations automatically expire each June 30 if not properly renewed. Within 30 days after expiration, a registration may be reinstated with the payment of the annual registration fee of \$50 and a reinstatement fee of \$250.
3. Lost Certificates: A \$10 fee shall be charged for replacement of lost certificates of registration.

It is your responsibility to become familiar with all sections of KRS 294 including sections amended by HB 462.

Criminal Background Requirements

Please read this notice carefully.

All persons applying for registration as a mortgage loan originator or loan officer shall submit proof of a FBI Criminal Background Check to the Office as a part of the application. This record must indicate that there have been no felony convictions within the previous five-year period or no felony or misdemeanor convictions involving fraud at any time. Other felonies will be subject to investigation and registration will be granted on a case by case basis.

Where can I obtain the necessary FBI forms? To obtain the fingerprint cards, check with your local law enforcement agency, the State Police (check www.kentuckystatepolice.org/post.htm for the nearest location in Kentucky), or call the West Virginia office of the FBI at 304-625-3878. If you contact the FBI, ask for the fingerprint card and for information to obtain an identification record check for personal review.

Who will take my fingerprints? Most local law enforcement agencies, county sheriff's departments, and some city and county police departments, or any state police post may be able to take your fingerprints. In Louisville, the Department of Corrections located at the county jail on Sixth Street handles fingerprinting services for the Jefferson County Sheriff's Department. Some law enforcement agencies may charge a fee for fingerprinting services. The cost may vary.

What is the cost and where do I send it? Send the completed fingerprint card, a short letter (A sample letter is attached.) advising the FBI that the report is **desired for personal review**, and a certified check or money order, payable to the Treasury of the United States, in the amount of \$18 to the address listed below. If all items are not included, the request will be returned to you by the FBI for correction.

What if my report comes back indicating that the prints are unreadable or indiscernible? If a criminal background report comes back from the FBI indicating that the prints are indiscernible or unreadable, the applicant should have the second set of prints done at the nearest State Police Post and resubmitted to the FBI for processing. If the second report comes back with the same result, then the Department has an affidavit that the applicant can sign before a notary to use for the issuance of the license. All of the original fingerprint cards and reports must be submitted along with the affidavit in order for the affidavit to be valid. If the candidate goes to the State Police Post first and that report comes back unacceptable, then they must have the prints done at one other location. Thus, no license will be issued to an applicant (using an affidavit) unless there have been at least two FBI reports obtained that indicate a failure to read the prints, one of which resulted in the fingerprints being done by the State Police.

Also, we cannot accept a copy of a report that has been done for any other entity or organization. Applicants must have their prints taken and forwarded to the FBI for processing. The original fingerprint card and report must be submitted along with the application for registration.

How long does this process take and how long is the report valid? Approximately 4-6 weeks, upon submission of the fingerprint card to the FBI. Thus, you should apply for the criminal background report at least 6-8 weeks before you plan to submit your application.

The report is only valid for six months; therefore, the report should be obtained within six months of submitting all registration requirements.

What should I do if my report is clear? The report will be mailed directly to you. The original report(s) and fingerprint cards must be submitted with the other documents that are required to obtain your registration. Photocopies of the fingerprint card and/or the written report from the FBI are not acceptable. **Please submit the attached Privacy Act Waiver with your background check.**

What happens if I have a conviction that must be investigated? The original report(s) and fingerprint cards must be submitted with the other documents that are required to obtain your registration. Photocopies of the fingerprint card and/or the written report from the FBI are not acceptable. The Office will then begin an investigation into the conviction. Following the completion of the investigation, the applicant will be informed if the application is approved or denied. **Please submit the attached Privacy Act Waiver with your background check.**

If a conviction is noted, how long will the Office's investigation process take? Approximately 60-90 days depending upon how quickly all of the documents are returned to the Office and the backlog of cases.

If you have further questions, contact the Office.
